Dear **[Recipient's Name]**:

I request your permission to reprint the following materials, with nonexclusive world distribution rights including all formats and all promotional material:

[Describe illustration and/or text]

I would like to reprint this work in my article titled “[**insert title of article**]” to be published in a limited scholarly edition of the Advisory Council on Underwater Archaeology (ACUA) *Underwater Archaeology Proceedings*, from the Society for Historical Archaeology conference held each January. The primary audience for this publication will be academic and research libraries. The book will be published by the ACUA and is tentatively scheduled for completion by mid-year. The ACUA will publish this work as a PDF document and print-on-demand book; therefore this work will have limited distribution. Price will depend on the cost of production.

Because of the limited nature of the book and the nonprofit status of the ACUA (www.acuaonline.org), if you are willing to waive permission fees for my use of this material, I would be most grateful. Any fees associated with use of these images would likely result in omitting them from the publication.

Should you be willing to provide a letter of permission, it must include a description of the material being used; the title of the article (**[insert title of article]**); the title of the publication (ACUA *Underwater Archaeology Proceedings*); your name, title, and signature; and any conditions of permission.

Thank you for your consideration of this request.

Sincerely,
